To whom it may concern:

This letter of support (LOS) is being written on behalf of the _____(Department name) application to show our complete support for the Department to receive funding for the CARES UP uniformed personnel resiliency & wellness planning grant.

As _____(Union Designee/ Department Chief), we recognize not only the inherent physical toll and dangers of the job but the emotional toll and demands as well.

We look forward to the promise that this funding opportunity seeks to deliver: building a more resilient workforce to buffer against the stressors we face on the job, at home, and in the community.
